

THE COMMUNITY

Parkshore Lake, with its lovely islands and waterside parks, provides a pristine centerpiece for many of Stonewater's grandest homesites. Tucked in the southwest corner of this magnificent neighborhood, Parkshore provides a setting of rare beauty.

Discover the beauty at Boulders with a flower-lined boulevard revealing an unobstructed view of Spring Hill Park with its enchanting gazebo and sparkling waters of Spring Hill Lake.

THE LOCATION

The illustration is the artist's conception. Site plan is not to scale and not intended to exactly depict current conditions. Please refer to the final plat for accurate dimensions.

Waterfront parcels provide immediate access to the sparkling lake, while other sites are bounded by meandering Stonewater Creek or perfectly positioned along quiet cul-de-sacs. Parkshore's remarkable views embrace inspired landscaping and distinctive home designs. Sandshore and Waterway parks offer the perfect retreat to relax in the gentle lake breeze.
